MEMORANDUM FOR MILITARY/INDUSTRY DISTRIBUTION

SUBJECT: Engineering Practices Study: Review of IPC-2614 "Sectional Requirements for Board Fabrication Documentation", Project Number 5998-2011-022

The attached Non-Government Standard (NGS) document is being forwarded in PDF format for review and comment. This document is being considered to be used as a reference to guide printed board fabrication documentation requirements. It will be cited in the future revision of MIL-HDBK-1861.

Concurrence or comments regarding the NGS document are required at this Center no later than 45 days from the date of this letter. Comments from military departments must be identified as either "Essential" or "Suggested". Essential comments must be justified with supporting data. Military review activities should forward comments to their custodians or this office, as applicable, in sufficient time to allow for consolidating the department reply.

Please forward your comments or concurrence electronically to the project engineer listed below. This can be in the form of a return e-mail, with or without a text file. If an electronic response is not possible, we will accept comments via letter, facsimile, or by telephone. Any further coordination concerning this document will be circulated only to agencies and organizations that furnish comments or reply that they have an interest.

The point of contact for this document is Mr. Joshua Civiello, DLA Land and Maritime, ATTN: VAC, P. O. Box 3990, Columbus, OH 43218-3990. The preferred method of contact is via e-mail: 5998.Documents@dla.mil. Mr. Civiello can also be reached at (614) 692-9550 / DSN 850-9550, or by facsimile (614) 693-1642 or DSN 850-6939.

/ Signed /

DAVID J. CORBETT
Acting Chief
Active Devices Branch
