## COMMERCIAL ITEM DESCRIPTION

### VEHICLE COVERS AND END CURTAINS

The General Services Administration has authorized the use of this commercial item description for all federal agencies.

1. **SCOPE.** This commercial item description (CID) covers the general requirements for vehicle covers and end curtains. Vehicle covers and end curtains covered by this CID are intended for commercial/industrial applications.
2. **CLASSIFICATION/PART OR IDENTIFICATION NUMBER (PIN).** This CID uses a classification system which is included in the PIN as shown in the following example (see 7.1).

#### 2.1 Part or Identification Number (PIN). (see the following example)

2.2 Vehicle top covers. Sizes as shown in table I (with dash sizes 6, 8, 26, 27, 28, 30)

2.3 Vehicle end covers. Sizes as shown in table II (with dash sizes 4, 16, 18, 20).

### 3. SALIENT CHARACTERISTICS.

3.1 Interface and physical dimensions. Vehicle covers and end curtains supplied to this CID shall be as specified herein (see figure 1).

Beneficial comments, recommendations, additions, deletions, clarifications, etc., and any data that may improve this document should be sent to: DLA Land and Maritime, ATTN: VAI, P.O. Box 3990, Columbus OH 43218-3990, or email [fluidflow@dla.mil](mailto:fluidflow@dla.mil). Since contact information can change you may want to verify the currency of the address information using the ASSIST Online database at <https://assist.dla.mil>.

3.1.1 Design. The fitted covers shall be made in accordance to the dimensions in tables III and IV as they apply to figures 1, 2, and 3.

3.1.2 Characteristics. The fitted covers shall have the following characteristics or capabilities:

- a. Provide a protective barrier against sun, wind, water, sand, dust and dirt for the vehicle body it is mounted on.
- b. Provided with a means to resist abrasion from the vehicle body and the mounting points and supports.
- c. Be equipped with adjustable provisions to secure the cover to the vehicle on the sides, front and rear which match the tie down or securing points on the applicable vehicle.
- d. Be equipped with provisions to roll up and secure the cover while it is mounted on the vehicle.
- e. Be the color specified in the purchase order.
- f. Be constructed of 19 to 22 ounce material treated to repel water.
- g. Be made to the dimensions in tables III and IV as they pertain to figure numbers 1, 2 and 3.
- h. Be marked to indicate which end goes on the front of the intended vehicle.
- i. Be marked with the manufacturer's part number on the inside cover or end curtain.

3.2 Marking. Vehicle covers and end curtains supplied to this CID shall be marked with the manufacturer's (MFR's) standard commercial PIN. (NOTE: The part number marked on the unit pack shall be the CID PIN.)

3.3 Recycled, recovered, or environmentally preferable materials. Recycled, recovered, or environmentally preferable materials should be used to the maximum extent possible provided that the material meets or exceeds the operational and maintenance requirements, and promotes economically advantageous life cycle costs.

3.4 Workmanship. Vehicle covers and end curtains shall be processed in such a manner as to be uniform in quality and shall be free from other defects that will affect life, serviceability, or appearance.

4. REGULATORY REQUIREMENTS. The offeror/contractor is encouraged to use recovered materials to the maximum extent practicable, in accordance with 23.403 of the Federal Acquisition Regulation (FAR).

## 5. PRODUCT CONFORMANCE PROVISIONS.

5.1 Product conformance. The products provided shall meet the salient characteristics of this CID, conform to the producer's own drawings, specifications, standards, and quality assurance practices, and be the same product offered for sale in the commercial market. The Government reserves the right to require proof of such conformance.

5.2 Certification. Certification must be done with the procuring activity approval. The contractor shall certify that the product offered meets the salient characteristics of the description and conforms to the producer's own drawings, specifications, standards, and quality assurance practices, and is the same as the product offered for sale in the commercial marketplace. The government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract

6. PACKAGING. Preservation, packing, and marking shall be as specified in the contract or order.

7. NOTES.

7.1 PIN. The PIN should be used for Government purposes to buy commercial products to this CID. See section 2 for PIN format example.

7.2 Environmentally preferable material. Environmentally preferable materials should be used to the maximum extent possible to meet the requirements of this specification. As of the dating of this document, the U.S. Environmental Protection Agency (EPA) is focusing efforts on reducing 31 priority chemicals. The list of chemicals and additional information is available on their website <http://www.epa.gov/osw/hazard/wastemin/priority.htm>. Included in the EPA list of 31 priority chemicals are cadmium, lead, and mercury. Use of these materials should be minimized or eliminated unless needed to meet the requirements specified herein (see Section 3).

7.3 Commercial and Government Entity (CAGE) code. For ordering purposes, inventory control, and submission of these vehicle covers and end curtains to DLA Land and Maritime under the Parts Management Advisory Team (PMAT), CAGE code 58536 should be used.

7.4 Source of documents.

#### DEPARTMENT OF DEFENSE SPECIFICATIONS

MIL-PRF-32002 - Cover Material, Vehicle, Coated Tactical and Combat, Heavy-Duty Waterproof

(Copies of these documents are available online at <http://quicksearch.mil> or from the DLA Document Services Order Desk, 700 Robbins Avenue, Building 4D, Philadelphia, PA 19111-5094)

#### FEDERAL REGULATIONS

FAR - Federal Acquisition Regulations (FAR)

(Copies of these documents are available online at [www.acquisition.gov/comp/far/index.html](http://www.acquisition.gov/comp/far/index.html) or from the U.S. Government Printing Office, 732 North Capital Street, NW, Washington D.C. 20401.)

7.5 Ordering data. The contract or order should specify the following:

- a. CID document number, revision, and CID PIN.
- b. Product conformance provisions or certification.
- c. Packaging requirements.

7.6 Commercial products. As part of the market analysis and research effort, this CID was coordinated with the following manufacturers of commercial products. At the time of CID preparation and coordination, these manufacturers were known to have commercial products that would meet the requirements of this CID. (NOTE: This information should not be considered as a list of approved manufacturers or be used to restrict acquisition to only the manufacturers shown.)

7.7 Government users. To acquire information on obtaining these vehicle covers and end curtains from the Government inventory system, contact DLA Land and Maritime, ATTN DLA Land and Maritime Call Center (-NAB), P.O. Box 3990, Columbus, OH 43218-3990 or telephone (614) 692-2271 or (614) 692-3191).

7.8 Legacy. This commercial item description is a replacement for MS51323, MS51324 and MIL-C-13489 for all federal agencies (MS51323, MS51324 and MIL-C-13489 are canceled as of 26 February 1999 and copies of these documents are available online at <http://quicksearch.dla.mil> or from the U.S. Government Printing Office, 732 North Capital Street, NW, Washington D.C. 20401.)

7.9 Changes from previous issue. Marginal notations are not used in this revision to identify changes with respect to the previous issue due to the extensiveness of the changes

7.10 PIN supersession data. These CID PIN's supersede the following MFR's PIN's as shown in table I through table IV. This information is being provided to assist in reducing proliferation in the Government inventory system.
