Notice of Cancellation

DSCC Drawing 87108 is hereby canceled. Users are referred to Cooper Bussmann commercial series C515, C518 fuses and Littelfuse commercial series 229/230 fuses as possible replacements. Since these commercial fuses are not tested to the full requirements of military grade products, users are cautioned to evaluate these commercial fuses for their particular application before citing them as replacements. Furthermore, commercial fuses may contain pure tin which is known to cause tin whisker growth problems.
