Dear Mr. Lutz:

RE: Notification of Qualification Removal, MIL-PRF-1, FSC 5960; VQE-12-023305

Triton Services, Inc.'s qualification listed below has been removed from the Qualified Products List (QPL), DoD specification MIL-PRF-1. Correspondence received September 27, 2011 from Triton Services indicated that due to manufacturing plant relocation, normal production would not be back on-line for "up to five years". In addition, Triton failed to notify Qualifying Activity of relocation of manufacturing operations and has not submitted biennial retention data for the periods of 2007-2009 and 2009-2011. Based on these issues and guidance from DoD 4120.24-M section AP2.5.8.2.7 and AP2.8.1.6, this Office is removing Triton Services' qualification, effective 4 October 2011. The Qualified Products Database List (QPDSIS-1) will be updated and the listings shown below will be removed from the next issue.

Corrective actions for the above issues must be submitted to and accepted by the Qualifying Activity prior to future requalification efforts. Data to be submitted and corrective actions required will be determined by the Qualifying Activity upon receipt of qualification request.

If you have further questions please contact Mr. Robert Puckett at 614-692-0625.

Sincerely,

/SIGNED/
