Re: Removal of the RSCC East Granby, CT Facility from QPL-17, MIL-DTL-17, FSC 6145,  
Preparing Activity: DLA-CC, Letter No. VQP-11-022849, Control Number 033893

Dear Mr. Coderre:

We received your e-mail on June 24, 2011 requesting to remove all QPL-17 product currently listed for the RSCC facility in East Granby, CT. Furthermore, you have requested to close out the remaining portion of the 19P form (test authorization # 17-2939-10) which included testing the M17/190-00001 cable and a qualification by similarity for the /181, /189, /191, /213, and /214 in relation to your plant move from East Granby, CT to Manchester, NH. Per your request, the 19P test authorization form will be closed out and the next revision of QPL-17 will reflect the removal of all product associated with the RSCC facility in East Granby, CT. The products to be removed from the QPL listing are below.

19 products will be removed from QPL-17 for the East Granby, CT location below:	Government Designation	Manufacturer's Designation	Test or Qualification Reference
