This qualification approval is subject to the conditions as stated in DoD 4120.24 and SD-6.

To maintain the listing of the products on QPL 93 you are required to compile a summary of quality conformance every six (12) months. This is in accordance with paragraph 4.5.

The standard reporting period is from Jan through December. Your first reporting period is from the date of this letter through December 2014. A report is required for each of your products qualified to the subject military specification. The original data must be retained by your company and is to be made available to authorized government representatives upon request.

Because we are held responsible for the accuracy and currency of this Qualified Products List, please let us know if your company discontinues production of these products. No changes are to be made in the design and construction of the products without the approval of DLA Land and Maritime.

If you have any questions concerning this letter, please contact Mr. Jeffrey Zern, 614-692-0597.

Sincerely,

/SIGNED/
