Mr. Brian Smeenge  
Director of Engineering  
Switchcraft, Inc.  
5555 N. Elston Avenue  
Chicago, IL 60630

Dear Mr. Smeenge:

Re: Removal from QPL-641, and 642; Preparing Activity: DLA-CC; VQP-14-027380;  
Control Number: 041447

Switchcraft's qualification status is no longer active for the manufacturing of M641 and M642 QPL parts. The aforementioned specifications are in the process of being changed from qualified product to First Article Testing, therefore Switchcraft is being removed from the QPL listing for these specifications effective immediately.
