Dear Mr. Schwinn:

We have not received your Group C testing which was due on January 31, 2004. You were granted an extension until April 30, 2004. You later requested an additional extension until May 31, 2004 through your agent Sue Eakle. You were asked to coordinate your test schedule with your Government Quality Assurance Representative. Communication with Mr. Jaime Pinero indicated that you have made no effort to coordinate any testing. Therefore, you are to **SUSPEND SHIPMENT** of all military products effective immediately. If you wish to remain on Qualified Products List 5423 you are to contact Mr. Art Woolum at this Center. In his absence you may contact Mr. Robert Bates at 614-692-0504 and arrange your Group C testing. You are requested to coordinate a schedule of Group C testing with QAR and submit to this Center prior to starting any tests.

If you have any questions concerning this letter, please contact Mr. Art Woolum, 614-692-0505.

Sincerely,

/Signed/
