Dear Mr. Gray:

Re: Notification of Qualification, MIL-PRF-6106, MS24171H Relays, FSC 5945;  
VQ(VQH-13-026444), CN# 039181

We have completed our review of your qualification test report 6106-3838-13 in accordance with MIL-PRF-6106 requirements. The test results for the subject device types submitted have been approved, and they are listed below. Qualification of your products is issued under the current issue of Military Specification, as a result of your successful qualification testing in accordance with the test report number listed in the Qualification Reference Section below. Therefore, your products will be listed as shown below on Qualified Products List (QPL) 6106.

Government Designation	Manufacturer's Designation	Test or Qualification Reference	Manufacturer's Name and Address
MS24171-D1	7264-4654	6106-3838-13	Esterline Power Systems Leach International North America 6900 Orangethorpe Avenue Buena Park, CA 90620
MS24171-D2	7264-238		

Plant: Same

This qualification approval is subject to the conditions and restrictions as stated in DOD Manual 4120.24-M, SD-6 and as listed below.

To maintain the listing of the products on QPL 6106, you are required to compile a summary of quality conformance data every twelve (12) months. This is in accordance with paragraph 4.5. In the event there is no production during the reporting period, you are required to submit a report of no production. A DD Form 1718 may be used for this report with those products not produced during the reporting period.

The standard reporting period is January 1 to December 31. Your first reporting period is June 1, 2013 to December 31, 2014 with report due January 31, 2015. A report is required for each of your products qualified to subject military specification. The original data must be retained by your company and is to be made available to authorized government representatives upon request. Failure to submit reports by the scheduled date will require your company to immediately suspend all shipment of products covered by this qualification.

Because we are held responsible for the accuracy and currency of this Qualified Products List, please notify this Center if your company discontinues production of the products. No changes are to be made in the design and construction of the products qualified without approval of DLA Land and Maritime.

If you have any questions concerning this letter, please contact Mr. Kevin Rudd, 614-692-0594.

Sincerely,

/SIGNED/
