SUBJECT: Transfer of Qualification, Plant Move, MIL-PRF-10304; FSC 6625;
Preparing Activity: DLA-CC

Mr. Mohamed El-Refai
Ideal Precision Meter Company
5816 Creedmoor Road
Raleigh, NC 27612

Dear Mr. El-Refai:

Transfer of qualification of your products is granted under the current issue of the subject specification as a result of successful testing in accordance with MIL-PRF-10304. The Qualified Products List will additionally be updated to change the plant location as indicated below:

Previous Location: Ideal Precision Meter Company
214 Franklin Street
Brooklyn, NY 11222

New Location: Ideal Precision Meter Company
5816 Creedmoor Road
Raleigh, NC 27612

To maintain the listing of the products on the Qualified Products List (QPL) 10304, you are required to compile a summary of quality conformance data every twelve (12) months for Groups A and B. Verification of Qualification Inspection Groups C and D are required every 36 months. This is in accordance with paragraph 4.5.4 of the subject specification. In the event there is no production during the reporting periods, you are required to submit a report of no production. A "DD Form 1718" may be used for this negative report with those products not produced listed in the remarks section.

The standard reporting period will be August 1 through July 31. Your first reporting period will be August 1, 2010 through July 31, 2011 for this qualification will be due no later than August 31, 2011. A report is required for each of your products qualified to the subject military specification. The original data must be retained by your company and is to be made available to authorized government representatives upon request. Please submit your report to this office by date referenced herein.

Because we are held responsible for the accuracy and currency of this Qualified Products List, please notify this Center if your company discontinues production of the products. No changes are to be made in the design and construction of the products qualified without approval of DLA Land and Maritime.

If you have any questions regarding this letter, please contact Mr. Art Woolum, 614-692-0505.

Sincerely,

/SIGNED/
