Re: 14 Day Contemplated Removal, MIL-DTL-12211, FSC 5930, VQ (VQH-14-028378),
CN 043481

Dear Mr. Danner:

On July 10, 2014, we sent you letter VQH-14-028290 asking you to inform us in writing if you intend to keep your company listed on Qualified Products List (QPL) QPL-12211. We explained that, from previous correspondence, we understand that your company has been selling few compliant products to QPL-12211. Due to limited resources, our office can only list on the QPLs those companies that are actively producing and selling QPL products which are used on United States weapons systems. We further asked that you reply to us by July 28, 2014.

We have not gotten a reply from Stewart-Warner Corporation. Therefore, we are informing you that we need to hear from Stewart-Warner Corporation within 14 days from the date of this letter concerning your intentions to remain listed on QPL-12211 and to provide us the information that we requested in letter VQH-14-028290. If we do not hear from your company within 14 days from the date of this letter, your company will be removed from QPL-12211 and will no longer be permitted to sell products, nor advertise compliance to, MIL-DTL-12211.

Please contact Mr. Kevin Rudd at 614-692-0594 if you have any questions.

Sincerely,

/SIGNED/
