Dear Mr. Rengifo:

Re: Notification of Qualification, MIL-DTL-13444; FSC 4720; VQP-11-022334

as

Qualification of your product is granted under the current issue of the Military Specification, a result of your successful qualification testing in accordance with the test report number listed in the Qualification Reference section below. Therefore, your product will be listed as shown below on Qualified Products List (QPL) QPL 13444.

QPL 13444

<u>Government Designation</u>	<u>Manufacturer Designation</u>	<u>Qualification Reference</u>	<u>Manufacturer's Name & Address</u>
* Bulk Hose 1 1/8 " ID Type III	547-858	13444-2524-09	Veyance Technologies, Inc. Goodyear Engineered Products 2701 West Omaha Avenue Norfolk, Nebraska 68701

To maintain the listing of the products on QPL 13444 you are required to compile a summary of quality conformance data every 12 months. The standard reporting periods are from July 1 through June 30. Your first reporting period for this qualification is from the date of this letter through June 30, 2011. A report is required for each of your products qualified to the subject military specification. The original data must be retained by your company and is to be made available to authorized government representatives upon request. Please coordinate your summary with your government quality assurance representative and submit it directly to us in time to arrive by August 1, 2011.

Because we are held responsible for the accuracy and currency of this QPL, please let us know if your company discontinues production of these products. No changes are to be made in the design and construction of the products qualified without the approval of VQP. All Quality

Conformance Inspection test failures must also be immediately brought to the attention of VQP.

We appreciate your cooperation during this qualification process and thank you for your interest in this program. Please refer any questions to Gene Ott, VQP, 614-692-0665.

Sincerely,

/SIGNED/
