July 29, 2014

Quality Assurance Manager
 Cooper Industries, Inc.
 Wagner Division
 9151 Latty Avenue
 St. Louis, MO 63134

Dear Q.A. Manager:

RE: Removal of Qualification, MIL-DTL-14055, FSC 2530; CAGE Code 9S643; CN043659, VQ(VQE-14-028371)

This office has not received a response to our contemplated removal letter of July 15, 2014, VQE-14-02838, concerning no receipt of the required annual reports for retention of Cooper Industries' previously qualified MIL-DTL-14055 products. We make reference to paragraph 4.4.4 of MIL- DTL-14055F; failure to submit the report within 30 days after the end of each 12-month period may result in loss of qualification. Therefore, Cooper Industries, Wagner Division's qualification listed below has been rescinded and is hereby removed from the Qualified Products List, QPL-14055, effective July 29, 2014.

Plant Location: 300 Wagner Drive, Boaz, AL, 35927-1064.

Government Designation	Manufacturer's Designation or Type Number	Qualification Reference
SBR 9503	L-1238-B-A1	Wheel & Master Cylinder Cups

The next issue of QPL-14055 shall reflect the removal of these qualifications. If you have any questions, please contact Mr. Lowell Sherman, DLA Land and Maritime-VQE, at 614-692-0627 or vqe.ls@dla.mil.

Sincerely,

/SIGNED/

JOSEPH GEMPERLINE
 Chief
 Sourcing and Qualifications Division
