This qualification approval is based upon test report number 19500-3820-13, your subgroup D-2 testing data completed on March 5, 2013 showing successful qualification testing, and test report number 19500-3820-13 for your JANS die and UB package. This approval is subject to the conditions as stated in the SD-6 and DOD 4120.24M.

Because we are held responsible for the accuracy and currency of this Qualified Manufacturers List, please let us know if your company discontinues production of these products. Also, manufacturers are required to inform this office immediately after learning of a potential issuance of a GIDEP alert, problem advisory, or other problem notification on their QML product. If you have any questions, please contact Mr. Nash at 614-692-8290.

Sincerely,

/SIGNED/
