This qualification approval is based upon test report number 19500-2767-10 your die and package, your Group A testing, and your letter dated February 28, 2013 requesting qualification, and is subject to the conditions as stated in the SD-6 and DOD 4120.24M. Test report number 19500-4269-14 was assigned to your Group A data, but will not be reflected in QML-19500.

Because we are held responsible for the accuracy and currency of this Qualified Manufacturers List, please let us know if your company discontinues production of these products. Also, manufacturers are required to inform this office immediately after learning of a potential issuance of a GIDEP alert, problem advisory, or other problem notification on their QML product. If you have any questions, please contact Mr. Deslich at 614-692-0593.

Sincerely,

/SIGNED/
