To maintain the listing of the products on QPL 22992, you are required to compile a summary of quality conformance data. Group A and B data must be reported every 12 months. Group C data must be reported every 36 months. The standard annual reporting period shall be from January 1 through December 31. Your first Group A and B reporting period for this qualification will be from the date of this letter through December 31, 2011. Your first Group C reporting period for this qualification will be from the date of this letter through December 31, 2013. Reports are due into this office no later than 30 days from the end of the reporting period.

Because we are held responsible for the accuracy and currency of this QPL, please let us know if your company discontinues production of these products. No changes are to be made in the design and construction of the products qualified without the approval of DLA Land and Maritime, Columbus, Passive Devices Team (VQP). All Quality Conformance Inspection test failures must also be immediately brought to the attention of VQP.

We appreciate your cooperation during this qualification process and thank you for your interest in this program. Please refer any questions to Cheri Rida at 614-692-2152 or email [Cheri.Rida@dla.mil](mailto:Cheri.Rida@dla.mil).
