Mr. Charles P. Fischer
Director of Engineering
Cooper Interconnect
23 Front Street
Salem, NJ 08079

Dear Mr. Fischer:

Re: Requalification to MIL-DTL-22992, Design Change from Die Cast to Machined
Size 32 Backshells, FSC 5935; VQP-12-023559; Test Report Number 22992-3222-11;
Control Number 034925

The DLA Land and Maritime, Columbus, Sourcing and Qualifications Unit (VQ) has received and reviewed the subject test report dated October 28, 2011, for the requalification of MIL-DTL-22992 part numbers MS90556 and MS90557 to qualify a machined backshell versus the currently qualified die cast backshell for size 32 connectors. We have reviewed the report and the additional information you have submitted and found your documentation to be acceptable. Qualification of your products is granted under the current issues of the Military Specifications, as a result of your successful qualification testing in accordance with test report number listed in the Qualification Reference section below. Therefore, you are qualified to manufacture and sell either the machined or the die cast version of the product listed below. Per your request, the manufacturer's designation will be the same for both versions of the backshell. Your products will be listed as shown below on Qualified Products List (QPL) 22992:

Manufacturer:	General Connector Corp. (CAGE Code: 25330)
Location:	Cooper Interconnect DBA, 23 Front Street Salem, NJ 08079
Plant:	Same address as the manufacturer

QPL 22992

Supplier:

Cooper Interconnect
Government Designation: MS90556
Manufacturer Designation: GCL56C324()P(Y)
Finish: C
Style: P
Shell: 32 Insert: 12, 13
Test or Qualification Reference: 22992-3222-11

Supplier:

Cooper Interconnect
Government Designation: MS90557
Manufacturer Designation: GCL57C324()S(Y)
Finish: C
Style: S
Shell: 32 Insert: 12, 13
Test or Qualification Reference: 22992-3222-11

Because we are held responsible for the accuracy and currency of this QPL, please let us know if your company discontinues production of these products. No changes are to be made in the design and construction of the products qualified without the approval of DLA Land and Maritime, Columbus, Passive Devices Team (VQP). All Quality Conformance Inspection test failures must also be immediately brought to the attention of VQP.

We appreciate your cooperation during this qualification process and thank you for your interest in this program. Please refer any questions to Cheri Rida at 614-692-2152 or email Cheri.Rida@dla.mil.

Sincerely,

/SIGNED/

JOSEPH GEMPERLINE
Chief
Sourcing and Qualifications Division
