Glenair’s next reporting period for Group A and B summary data is March 1, 2011 through February 28, 2013. Group C reporting is due March 1, 2016. Reports are due into this office no later than 30 days from the end of the reporting period. In the event that there is no production during the reporting periods, you are required to submit a report of no production. DD Form 1718, “Certification of Qualified Products,” is the preferred method for this negative report. Products that are not produced should be listed in the “Remarks” section.

Because we are held responsible for the accuracy and currency of this QPL, please let us know if your company discontinues production of the products. No changes are to be made in the design and construction of the products qualified without approval of the Defense Supply Center, Columbus.

DLA LAND AND MARITIME requests that all correspondence with and reporting submitted to this office be conducted in electronic format (e-mail to vqp@dla.mil) or to specification POC. Examples of this include requests for technical evaluations, qualification reports, mandatory retention testing and requests for testing authorization. In the event that a specific report or document is of very large size (<5 MB) please submit the information by mail or commercial carrier on a CD. Electronic documents are a more efficient format and will help our office evaluate your questions or testing in a more efficient and expeditious manner.

If you have any questions, please contact Ms. Sonya Taylor at 614-692-2193 or email Sonya.Taylor@dla.mil.

Sincerely,

/SIGNED/
