This qualification approval is subject to the conditions as stated in DoD 4120.24M and SD-6.

To maintain the listing of the products on QPL-31031 you are required to compile a summary of Group A, B, retention testing annually, and Group C testing triennially. These reports are to be submitted to this office no later than 30 days after the end of the applicable testing period. In the event there is no production during the reporting period, you are required to submit a report of no production. A DD Form 1718 may be used for this negative report.

Because we are held responsible for the accuracy and currency of this Qualified Products List, please let us know if your company discontinues production of these products or intends to change their design. If you have any questions regarding this letter, please contact Sonya Taylor at 614-692-2193 or email sonya.taylor@dla.mil.

DLA LAND AND MARITIME requests that all correspondence with and reporting submitted to this office be conducted in electronic format (e-mail to vqp@dla.mil) or to specification POC. Examples of

this include requests for technical evaluations, qualification reports, mandatory retention testing and requests for testing authorization. In the event that a specific report or document is of very large size (<5 MB) please submit the information by mail or commercial carrier on a CD. Electronic documents are a more efficient format and will help our office evaluate your questions or testing in a more efficient and expeditious manner.

Sincerely,

/SIGNED/
