Mr. Randy Collins
 Viasystems Technologies Corp., LLC – Forest Grove
 1521 Poplar Lane,
 Forest Grove, OR 97116-2033

Dear Mr. Collins:

RE: Notification of Qualification Removal, MIL-PRF-31032, MIL-PRF-55110; FSC 5998; CAGE Code: 01KV9; VQ (VQE-15-029080) / CN045115

Viasystems Technologies Corp., LLC – Forest Grove’s qualifications listed below have been removed from the Qualified Products List (QPL) and Qualified Manufacturers List (QML); DoD specifications MIL-PRF-31032 and MIL-PRF-55110. Reasoning for removal of qualification is as follows:

- Failure to submit sufficient data required for Q1 through Q4 2013 Status Reporting periods.
- Failure to submit sufficient data required for Q1 through Q4 2014 Status Reporting periods.
- Failure to address deficiencies found during the March 2014 site audit. Corrective actions have not been submitted since June 17, 2014 even though monthly submissions were required by DLA Land and Maritime notice VQE-14-028272, “**Additional actions must be submitted on at least a monthly basis with the next submission due no later than 8 August 2014.**”
- Failure to successfully complete required CVI verifications for the 2009-2011 and 2011-2013 time period. Note: Finding 18 from the March 2014 audit states, “**Failure to obtain Qualifying Activity approval of required CVI data packages (each material type) by the close of 2014 shall be grounds for rescission of the applicable qualification.**”

The Qualified Products Database List (QPDSIS-31032, QPDSIS-55110) will be updated and the listing shown below will be removed from the next issue.

ASSOCIATED SPECIFICATIONS AND MATERIAL	QUALIFICATION REFERENCE NUMBER
