Torrance, CA 90501

Dear Ms. Seif:

Re: Notification of Qualification, MIL-DTL-38999, FSC 5935; VQP-11-022876; Control Number 033919

We have received your email dated June 28, 2011 along with your request for qualification of new inserts for MIL-DTL-38999 inserts by similarity to existing inserts. After review your request was found to meet the requirements of the subject military specification and is approved. The next revision of QPL-38999 will reflect addition of the following two insert arrangements:

<p>Series I and II Supplier: Aero Electric Connector, Inc. Government Designation: MS27484 () Manufacturer Designation: AE284 () Class: E, T Shell: 20 Insert: 39, 41 Test or Qualification Reference: 38999-033-96</p>
--

A detailed listing of the connector type under the Military Specification Sheet will be listed on the QPL-38999. This qualification is subject to the conditions stated in DoD 4120.24-M and SD-6.

Because we are held responsible for the accuracy and currency of this QPL, please let us know if your company discontinues production of these products.

Sincerely,

/SIGNED/

JOSEPH GEMPERLINE
Chief
Sourcing and Qualifications Division
