We have received your email dated July 20, 2012 requesting qualification for alternate insert designs in your MIL-DTL-38999 product. Your request is based on previous qualification work performed on the 38999 family of connectors. After review your request was found to meet the requirements of the subject military specification and is approved. The next revision of QPL-38999 will reflect the following additions:

Government Designation	Manufacturer's Designation
MS27466	KJM0
MS27467	KJM6

A detailed listing of the connector type under the Military Specification Sheet will be listed on the QPL-38999. This qualification is subject to the conditions stated in DoD 4120.24-M and SD-6.
