Dear Mr. Hungate:

Re: Notification of Qualification, MIL-DTL-38999, FSC 5935; VQP-12-025192; Control Number 037487

We have received your email dated September 19, 2012 requesting qualification for alternate contact styles in MIL-DTL-38999. After review your request was found to meet the requirements of the subject military specification and is approved. **The next revision of QPL-38999 will reflect the addition of the A&B contact styles (connectors shipped less contacts) for all Series III connectors.**

A detailed listing of the connector type under the Military Specification Sheet will be listed on the QPL-38999. This qualification is subject to the conditions stated in DoD 4120.24-M and SD-6.

Because we are held responsible for the accuracy and currency of this QPL, please let us know if your company discontinues production of these products. If you have any questions, please contact Mr. Alex Baillieul by email at alexander.baillieul@dla.mil.

Sincerely,

/SIGNED/
