Dear Mr. Medrano:

Re: Addition of insert arrangement, MIL-DTL-38999, VQP-14-028625, Control Number 043388

This office received your email and associated submittals requesting the addition of insert arrangements 19-28 and 25-08 to your Series III MIL-DTL-38999 connectors. **Arrangement 19-28 will be added for all classes, and 25-08 will be added to all classes except for K&S (Firewall) as twinax contacts are not valid for use in firewall connectors.** QPL-38999 will be modified to add these insert arrangements.

A detailed listing of the connector type under the Military Specification Sheet will be listed on the QPL-38999. This qualification is subject to the conditions stated in DoD 4120.24-M and SD-6.

Because we are held responsible for the accuracy and currency of this QPL, please let us know if your company discontinues production of these products. If you have any questions, please contact Mr. Alex Baillieul by email at Alexander.Baillieul@dla.mil.

Sincerely,

/SIGNED/
