This qualification approval is subject to the conditions as stated in DoD 4120.24M and SD-6.

To maintain the listing of your products on QPL 39006, you are required to compile a summary of quality conformance data every 6 months. This is in accordance with paragraph 4.5.

The standard reporting period is from 1 May through September 30. Your first reporting period is from the date of this letter through October 31, 2012. A report is required for each of your products qualified to MIL-PRF-39006. The original data must be retained by your company and is to be made available to authorized government representatives on request.

Because we are held responsible for the accuracy and currency of this Qualified Products List, please let us know if your company discontinues production of these products. No changes are to be made in the design and construction of the products qualified without the approval of the DLA Land and Maritime-VQP.

If you have any questions concerning this letter, please contact Mr. Dwight Oglesby at 614-692-0609.

Sincerely,

/SIGNED/
