November 23, 2011

Mr. Dave Stobinski
Henkel Corporation, Olean
211 Franklin Street
Olean, NY 14760

Dear Mr. Stobinski:

RE: Removal of Qualification, MIL-I-46058C Amendment 7, FSC 5970; CAGE Code 04347;
VQ(VQE-12-023546)

This office has received Henkel Corporation's notice of the discontinuance of production of previously qualified MIL-I-46058 products at its plant located at 211 Franklin Street, Olean, NY 14760 on October 31, 2011. Therefore, Henkel Corporation's qualifications listed below have been rescinded and are hereby removed from the Qualified Products List, QPL-46058, effective November 18, 2011.

Plant Location: Same as above.

Government Designation	Manufacturer's Designation	Qualification Reference
Type AR	PC20M	46058-870-78
Type AR	PC20-35M	46058-870-78
Type ER	PC12-007M	46058-848-74 46058-1092-73
Type UR	PC18M	46058-852-74 46058-1096-73
Type UR	PC29M	46058-850-74 46058-1098-73 46058-1208-87

The next issue of QPL-46058 shall reflect the removal of these qualifications. Henkel Corporation also has recently received notice of Thermal Humidity Aging (Hydrolytic Stability) failures for the PC29M, PC12-007M, and PC18M products. Henkel Corporation must either issue a notice directly to its affected customers explaining the failure, or issue a notice through the GIDEP system. This office requests that you contact Mr. Lowell Sherman, DLA Land and Maritime-VQE, at 614-692-0627 or vqe.ls@dla.mil to discuss the above open issue.

Sincerely,

/SIGNED/

JOSEPH GEMPERLINE
Chief
Sourcing and Qualifications Division
