IN REPLY REFER TO DLA LAND AND MARITIME-VQ (VQE-11-022258/Mr. Puckett/614-692-0625/rp) 5 April 2011

SUBJECT: Removal of Qualification, MIL-P-50884, CAGE Code 16275

Mr. Galen Auman  
La Barge Inc.  
1505 Maiden Lane  
Joplin, MO 64802-3819

Dear Mr. Auman:

The qualification listed below has been removed from the Qualified Products List (QPL) for military specification MIL-P-50884. LaBarge Inc. must not accept contracts, build, or test to the following qualification:

<b>Qualification Reference</b>	<b>Material &amp; Type</b>	<b>Date of Expiration</b>
50884-1766-120609	Type 1 & 5 W/Adhesive	December 6, 2009

Paragraph 6.3.4 of MIL-P-50884E Amendment 3, requires manufacturers to repeat the qualification process of appendix A every 36 months. Qualification removal was delayed past the expiration date, 6 December 2009, to allow this requalification effort; however, LaBarge Inc. was unable to successfully demonstrate their ability to meet this requirement. Requalification efforts for type 1 & 5, April 2010; type 1 & 5, October 2010; and type 1, March 2011, all failed for differing, and often multiple, reasons. Therefore, LaBarge Inc. is removed from QPL-50884 effective 5 April 2011.

Please contact Robert Puckett at 614-692-0625, for detailed information on requalification. LaBarge Inc. is required to maintain all data, including coupons, for a period of three years, per paragraph A.3.9 of MIL-P-50884E Amendment 3.

Sincerely,

/SIGNED/

JOSEPH GEMPERLINE  
Chief  
Sourcing and Qualifications Division
