Mr. Hal Hirsh
Graphic Research Inc.
9334 Mason Avenue
Chatsworth, CA 91311-5201

Dear Mr. Hirsh:

RE: Notification of Qualification, QPL Product Assurance Level, MIL-P-50884E,
Amendment 3, FSC 5998; CAGE Code 5K529; VQ (VQE-11-022518)

Qualification is granted to the QPL product assurance level (Appendix A) of Department of Defense Performance Specification MIL-P-50884E, Amendment 3. The type and base material indicated below shall be listed on Qualified Products List QPL-50884. The effective date of this qualification is May 13, 2011. Plant location: Same as above.

RETENTION REPORTING PERIOD	PRINTED BOARD TYPE AND BASE MATERIAL	QUALIFICATION REFERENCE NUMBER
May 1 through April 30	Type 4, with Adhesives	50884-3199-051314*

* Denotes etchback approval

QPL-50884 qualification is limited to reflowed SnPb surface finishes only, no solder mask, and no foil lamination. The classifications include installation use A & use B and rework grade R. This information was outlined in the supplemental information sheet to the Form 19W.

A retention report in accordance with paragraph A.4.5.5 of MIL-P-50884E, Amendment 3 shall be submitted to this Center by June 30 of each year or loss of qualification may result. The report shall be based on the reporting period above and shall include data from all products built under the current and previous qualification reference numbers, as applicable. The report must also include the group B and group C raw data along with a completed Form 36W for each qualification reference number listed on QPL-50884. If the manufacturer has no certified production in the reporting period, the manufacturer must indicate this on the completed Form 36W. DLA Land and Maritime reserves the right to request evidence of the manufacturer's capability to produce QPL printed wiring boards as stipulated by paragraph A.4.5.5 of MIL-P-50884E, Amendment 3.

Manufacturers are required to inform DLA Land and Maritime-VQE within 3 business days if a failure occurs during group B or group C testing, if production of these products is discontinued, or prior to issuance of a GIDEP Alert and/or Problem Advisory on product represented by this qualification. This qualification shall expire 3 years from the effective date cited above, as indicated by the last 6 digits of the qualification reference number (mmddy). A stop shipment/stop production is effective on the qualification expiration date unless approval is granted by this Office to complete existing contracts. If you have any questions, please contact Mr. Lowell Sherman at vqe.ls@dla.mil or 614-692-0627.

Sincerely,

/SIGNED/

JOSEPH GEMPERLINE
