Dear Ms. Lance:

RE: Notification of Qualification Removal, MIL-P-50884, FSC 5998;
VQ (VQE-12-023456) / CN034781

The qualification listed below has been removed from the Qualified Products List (QPL) for military specification MIL-P-50884. Cirtech Inc. must not accept contracts, build, or test to the following qualification:

Qualification Reference	Material & Type	Date of Expiration
50884-2141-090811*	Type 4 adhesiveless	September 8, 2011

Paragraph 6.3.4 of MIL-P-50884E Amendment 3, requires manufacturers to repeat the qualification process of appendix A every 36 months. Cirtech Inc. failed to re-qualify within the specified 36 month period. In addition, correspondence was received October 31, 2011 indicating Cirtech Inc. would no longer be pursuing qualification for Type 4 Adhesiveless material. Therefore, Cirtech Inc. is removed from QPL-50884 effective **October 31, 2011**.

Please contact Robert Puckett at 614-692-0625, for detailed information on requalification. Cirtech Inc. is required to maintain all data, including coupons, for a period of three years, per paragraph A.3.9 of MIL-P-50884E Amendment 3.

Sincerely,

/SIGNED/
