LAND AND MARITIME
POST OFFICE BOX 3990
COLUMBUS, OH 43218-3990

August 29, 2011

Mr. Adrian Terranova
Ozark Circuits
933 W. Chase Street
Springfield, MO 65803

Dear Mr. Terranova:

RE: Removal from Qualified Products List (QPL), MIL-PRF-55110G AMD 3, FSC 5998;
CAGE Code 41796; VQ(VQE-11-023137)

This office has not received a response to DLA Land and Maritime letter VQE-11-022788, 14 Day Contemplated Removal from Qualified Products List (QPL), dated July 11, 2011. We have also attempted to contact you by telephone on August 29, 2011, but the telephone number is reported as no longer in service. Therefore, Ozark Circuits' qualification listed below has been rescinded and is hereby removed from the QPL-55110, effective August 29, 2011.

CLASSIFICATION TYPE AND BASE MATERIAL	QPL TEST REFERENCE EXPIRATION DATE (MM/DD/YY)
Type 3, GF material	55110-2393-012812

We make reference to paragraph A.4.5.5 of MIL-PRF-55110G AMD 3 and to your Notification of Qualification letter. To maintain your listing on the QPL, you are required to send a summary of your quality conformance inspection data at 12 month intervals and within 60 days after the end of the 12 month reporting period. In addition, this office required evidence of Ozark Circuits' capability to produce QPL printed wiring boards, as stipulated by paragraph A.4.5.5 of MIL-PRF-55110G AMD 3, due to no MIL-PRF-55110 production.

Ozark Circuits is required to maintain all data, including coupons, for any MIL-PRF-55110 certified product for a period of 3 years, per paragraph A.3.9 of MIL-PRF-55110G. If you have any questions, please contact Mr. Lowell Sherman at 614-692-0627 or vqe.ls@dla.mil.

Sincerely,

/SIGNED/

JOSEPH GEMPERLINE
Chief
Sourcing and Qualifications Division
