Mr. Roni Asraf  
PCB Technologies Ltd.  
P. O. Box 631  
Migdal Haemek, 10556 Israel

Dear Mr. Asraf:

Re: Notification of Qualification, QPL Product Assurance Level, FSC 5998,  
MIL-PRF-55110G, VQ(VQE-12-025110) / 037365

Qualification is granted to Department of Defense Performance Specification MIL-PRF-55110G for the QPL product assurance level (Appendix A). The material and classification indicated below shall be listed on Qualified Products List QPL-55110. The effective date of this qualification is September 21, 2012.

Plant Location: SAME AS ABOVE

CAGE Code: S5725

RETENTION REPORTING PERIOD	MATERIAL AND CLASSIFICATION	QPL TEST EXPIRATION DATE (MM/DD/YY)
November 1 through October 31	Type 3, GF material	55110-3586-092115 *#

\* Denotes etchback approval  
# Denotes foil lamination approval

**NOTE: PCB Technologies 3GI qualification expired on 28 May 2012.**

To maintain qualification, the above listed manufacturer is required to compile and submit a summary of quality conformance data every 12 months. The manufacturer must submit a completed Form 36W for each qualification, along with group B raw data. Group B testing shall be performed at a DLA approved test facility. If the manufacturer has no certified production in the reporting period, the manufacturer must indicate this on the completed Form 36W. The manufacturer shall submit the retention report to the National Quality Assurance Representative for review and coordination. A copy shall be submitted to this Center by January 1 of each year. We reserve the right to request evidence of the manufacturer's capability to produce QPL printed wiring boards as stipulated by paragraph A.4.5.5 of MIL-PRF-55110G.

These qualification listings are valid through the expiration dates indicated by the last 6 digits of the qualification reference numbers (mmddy), provided that all requirements of the subject specification are met. Manufacturers are required to inform VQE within 3 business days if a failure occurs during group B or group C testing, if production of certifiable product is discontinued, or prior to issuance of a GIDEP Alert and/or Problem Advisory on their QPL products.

A stop shipment/stop production is effective on the date of qualification expiration unless approval is granted by our office to complete existing contracts. If you have any questions contact Mr. Bill Werman at [bill.werman@dla.mil](mailto:bill.werman@dla.mil) or at 614-692-0631.

Sincerely,

/SIGNED/

JOSEPH GEMPERLINE  
Chief
