March 24, 2015

Ms. Nancy Snow
 Circuit Connect, Inc.
 4 State St.
 Nashua NH 03063

Dear Ms. Snow:

RE: Notification of Qualification, QPL Product Assurance Level, MIL-PRF-55110G, Amendment 3, FSC 5998; CAGE Code 3JDJ7; VQ (VQE-15-029344); CN 046274

Qualification is granted to the QPL product assurance level (Appendix A) of Department of Defense Performance Specification MIL-PRF-55110G, Amendment 3. The type and base material indicated below shall be listed on Qualified Products List QPL-55110. The effective date of this qualification is March 24, 2015. Plant location: same as above.

RETENTION REPORTING PERIOD	PRINTED BOARD TYPE AND BASE MATERIAL	QUALIFICATION REFERENCE NUMBER
March 1 through February 28	Type 3 GI	55110-4372-032418*#

** Denotes etchback approval, # Denotes foil lamination approval*

A retention report in accordance with paragraph A.4.5.1 of MIL-PRF-55110H shall be submitted to this Center by April 30 of each year or loss of qualification may result. The report shall be based on the reporting period above and shall include data from all product built under the current and previous qualification reference numbers, as applicable. The report must also include the group B raw data along with a completed Form 36W for each qualification reference number listed on QPL-55110. If the manufacturer has no certified production in the reporting period, the manufacturer must indicate this on the completed Form 36W. DLA Land and Maritime reserves the right to request evidence of the manufacturer's capability to produce QPL printed wiring boards as stipulated by paragraph A.4.5.3 of MIL-PRF-55110H.

Manufacturers are required to inform DLA Land and Maritime-VQE within 3 business days if a failure occurs during group B testing, if production of these products is discontinued, or prior to issuance of a GIDEP Alert and/or Problem Advisory on product represented by this qualification. This qualification shall expire 3 years from the effective date cited above, as indicated by the last 6 digits of the qualification reference number (mmddy). A stop shipment/stop production is effective on the qualification expiration date unless approval is granted by this Office to complete existing contracts. If you have any questions, please contact Mr. Keith Powell at vqe.kp@dla.mil or 614-692-9508.

DLA Land and Maritime-VQ requests all correspondences be submitted in electronic format. Examples of this include requests for technical evaluations, qualification and status reports, retention test data and requests for testing authorization (including test plans). In the event that a specific report or document is of very large size (>5 MB) please submit the information via digital media, e.g., cd or dvd. Electronic documents are a more efficient format and will help our office evaluate your questions or testing data in a more efficient and expeditious manner.

Sincerely,

JOSEPH GEMPERLINE
Chief
Sourcing and Qualifications Division
