Dear Mr. McCormack:

Re: Removal from MIL-DTL-55302; Preparing Activity: DLA-CC; VQP-14-028516;
Control Number: 044031

Due to the audit held on April 3, 2014 in which Hypertronics was found to have sourced QPL parts from China, and were manufacturing QPL parts at an unauthorized facility, Hypertronics is being removed from QPL M55302 effective immediately. Hypertronics has also requested removal from QPL M55302.

Please be advised that a GIDEP alert, approved by this office, will need to be sent out concerning the non-conforming parts.

If you have any questions concerning this letter, please contact Sonya Taylor at 614-692-2193 or email Sonya.Taylor@dla.mil.

Sincerely,

/SIGNED/
