This qualification approval is subject to the conditions and restrictions as stated in DOD Manual 4120.24-M, SD-6 and as listed below.

To maintain the listing of the products on QPL 55310, you are required to compile a summary of quality conformance data every twenty-four (24) months. This is in accordance with paragraph 4.6 In the event there is no production during the reporting period, you are required to submit a report of no production. A DD Form 1718 may be used for this report with those products not produced during the reporting period.

The standard reporting period is October 1 to September 30. Your first reporting period is October 1, 2012 to September 30, 2014 with report due October 31, 2014. A report is required for each of your products qualified to subject military specification. The original data must be retained by your company and is to be made available to authorized government representatives upon request. Failure to

submit reports by the scheduled date will require your company to immediately suspend all shipment of products covered by this qualification.

Because we are held responsible for the accuracy and currency of this Qualified Products List, please let us know if your company discontinues production of these products. If you have any questions regarding this letter, please contact Mr. Rudd, 614-692-0594.

Sincerely,

/SIGNED/
