This qualification is subject to the conditions as stated in DOD 4120.3M and SD-6.

To maintain the listing of the products on QPL 83401 you are required to compile a summary of quality conformance data every six (6) months. This is in accordance with paragraph 4.5. In the event there is no production during the reporting period, you are required to submit a report of no production. A DD Form 1718 may be used for this negative report with those products not produced listed in the remarks section.

The standard reporting periods are from Jan thru Jun and Jul thru Dec. Your first reporting period is from the date of this letter through June 2012. A report is required for each of your products qualified to the subject military specification. The original data must be retained by your company and is to be made available to authorized government representatives upon request.

Because we are held responsible for the accuracy and currency of this Qualified Products List, please let us know if your company discontinues production of these products. No changes are to be made in the design and construction of the products without the approval of the DLA Land and Maritime-VQP.

Sincerely,

/SIGNED/
