

DQL03; 209-9033 QUALIFIED SUPPLIERS LIST OF MANUFACTURERS (QSLM) – FSCs 1005 (Guns, through 30 mm), 1010 (Guns, over 30 mm through 75 mm), 1015 (Guns, over 75 mm through 125 mm), 1020 (Guns, over 125 mm through 150 mm), 1025 (Guns, over 150 mm through 200 mm), 1055 (Launchers, rocket and pyrotechnic), and 1095 (Miscellaneous weapons) (APR 2014)

(a) Only the following shall be eligible for award (except as provided in paragraph (d) of this requirement):

- (1) Offers from approved sources listed in the Item Description; or
- (2) Offers from manufacturers listed or qualified for listing (as determined by the contracting officer) on the DLA Land and Maritime Qualified Suppliers List of Manufacturers (QSLM) for FSCs 1005, 1010, 1015, 1020, 1025, 1055, and 1095 at the time of award; or
- (3) Offers from authorized distributors of approved or QSLM qualified sources (as determined by the contracting officer) (see (1) and (2) above) with adequate traceability (as determined by the contracting officer) to the approved or QSLM qualified source

(b) The Government may terminate the Contractor's QSLM status at any time for failure of the Contractor to maintain compliance with the provisions and qualification criteria governing the QSLM for FSCs 1005, 1010, 1015, 1020, 1025, 1055, and 1095. Maintaining QSLM status is a contractual requirement; therefore, the Contracting Officer may terminate the contract for default for the Contractor's failure to maintain such status throughout the period of contract performance.

(c) As required in the DLA Land & Maritime "Criteria and Provisions for Qualified Suppliers List of Manufacturers" (Criteria), the contractor shall provide, at the Government's direction, the results of the mandatory testing at any time after award, until the record retention period has expired, as referenced in the Criteria and listed in JEDEC Standard JESD 31.

(d) In the event no offers are received on this solicitation from a source listed in paragraph (a) of this requirement, the Government reserves the right to make an award based on offers received and found acceptable by other means of testing or verification, as deemed acceptable by the Government.

(e) The provisions governing qualification and the applicable qualification criteria for the QSLM, the application form, and a listing of the affected NSNs may be obtained—
